Chambers has allegedly violated the mandatory condition of supervised release which states, "The defendant shall not commit another federal, state, or local crime."

Chambers was initially cited for Assault on March 13, 2008, in Cincinnati, Ohio pursuant to an incident that occurred within that jurisdiction on or about February 28, 2008. Information received by the probation officer indicated that on or about February 28, 2008, the offender allegedly took some items and the male complainant asked him to return them to him. When the offender returned to the complainant's apartment in the same building as the offender lived, Chambers and the complainant argued and the offender allegedly

with a knife and a broom. The complainant stated that Chambers hit him with the broom on his arms and legs leaving bruises. It should be indicated that this incident was initially referred to the Hamilton County Municipal Court Private Complaint Mediation Service Warrant Referral Department for the Assault charge. The offender initially appeared for this mediation effort on March 13, 2008. However, the case was unresolved through mediation and a criminal warrant was lodged against the offender on the charge of Assault on April 4, 2008, Docket Number 08CRB8230. The offender was arrested on that date and appeared before the Honorable Heather Russell in Hamilton County Municipal Court on April 5, 2008, at which time he was released on a \$1,000-10% cash bond and was ordered to stay away from the victim.

On April 7, 2008, a female complainant advised the Cincinnati Police Department that Chambers said that he was going to kill her at least twice over a two day period and would allegedly not leave her alone. She was very fearful of him because of his previous violent behavior. A criminal Complaint was filed against Chambers on the charge of Domestic Violence regarding this incident in which he knowingly made threats to cause serious physical harm to the victim and stated that he wanted to kill her. The victim further advised in an Affidavit that on April 4, 2008, Chambers came to her home and was very upset and said he was going to kill her and that he asked her to kiss his pants. On April 7, 2008, they were at the Allen Care Center for a meeting with a physician and the offender came into the meeting and allegedly told her to her face that he wanted to kill her again. A warrant was issued for the offender's arrest and on April 13, 2008, Chambers was arrested on this charge for Domestic Violence under Docket Number 08CRB11339. Chambers next appeared in Court for a bond hearing on April 14, 2008, and was ordered eligible for \$15,000-10% bond.

On April 13, 2008, the offender was also charged with Possession of Marijuana, Docket Number 08CRB12014, as while he was being arrested on April 13, 2008 for the Domestic Violence charge, arresting officers located marijuana in Chambers's left coat pocket.

This officer is becoming increasingly concerned about Chambers's Domestic Violence and Assault charges within a short period of time, and this officer fears that the offender is now presenting himself to be a true threat to the physical safety of the community.
